Hearing Assisted Devices

Are you having trouble hearing the morning and evening services and in Prayer Meeting? If so, we may have a solution for you. The church has acquired some hand held devices and headphones that will help you to hear better. We had a few people try them the past two weeks and it has helped their ability to hear during the services. If you are interested in trying one or would like more information about how they work, please contact Ron Forsythe or the church office.

Devon Park Baptist Church
