My heartfelt thanks to Pastor Terry and my church family, for your calls, wonderful cards, and above all your prayers. My hip has healed well, mobility is still slow. Love to you all, Marlene Dunnett

To my church family,

Thank you for all of the prayers, cards, phone calls, meals, flowers, and gifts I've received over the last few months. I am slowly progressing in my recovery. I am now able to sit in a wheelchair and go outside. Pain is much reduced but I still experience difficult days. I'm trying to relearn how to walk, eat, and hold things. I hope to someday be back at church. Pray for Ron as my caregiver, and please continue to pray for me, especially as I have to deal with Ron. In Christian love, Gail McLeod
