

## **Easter Community Virtual Choir**

Do you love to sing the hope of Jesus? YES!

It's been tough to sing together during these times. As a Church we long to come together and sing praise to the King of kings!!  
**WE CAN!!**

This Easter we are putting together a Virtual Easter Choir! Here's how it works! You will receive rehearsal tracks to practice your vocal part. We are hopeful to have these ready in early February (provided we are out of Level 3 restrictions). The third week in March we will record your vocal part at Nashwaaksis Baptist Church. You will be able to sing along to your rehearsal track as you record. You will need to bring a set of headphones with you when you record. We will have more details about the week of recording once we know how many choir members we have.

The two songs you will be learning are "Is He Worthy" by Andrew Peterson (made popular by Chris Tomlin) and "Behold Him" by Paul Baloche.

Let's make a joyful noise as celebrate the HOPE of Easter.
